As always, feel free to make us an offer on any of the horses.

1. "Google" (APHA JBS Google Dot Com) is a stunning Hunter Under Saddle mover. He is still green as he had professional training for 90 days when he was 2, then he has sat for 2 years. He is owned by clients of mine who are retiring from horses (hence the reason he has sat). This was to be their granddaughter's next World Champion, however she got hurt on another horse and lost her desire to show horses. Google has all the talent in the world to win every HUS class he is entered into. Stunning mover. He will need miles so an intermediate rider is necessary. Sometimes has an attitude but can easily be ridden through it. Breeders Trust registered. \$5500

2. "Sara" (Dulcera) is a 4-year-old bay registered Paso Fino mare. She was started late but has 60 days professional training. She is very sweet, very calm and has nice tight gaits. She is best suited for an intermediate rider due to her young age and lack a many hours in the saddle. She would make a great trail horse or even as a show horse for a youth or adult! Below pictures are a student riding her bareback and a timid senior citizen. \$1500

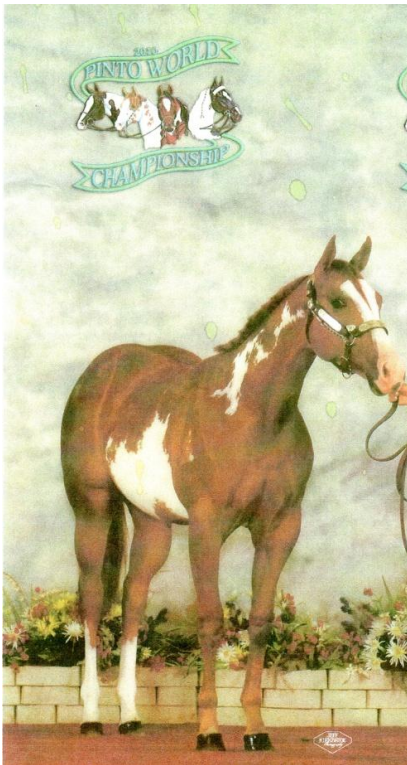

3. APHA Dry Doc Reflection (barn name "Jack"): 16hh 2-year-old gelding. Jack is also Breeder's Trust registered. His sire (Tommy's Reflection) is a superior all-around horse. Jack is well started to follow in his father's footsteps! He is quiet and gentle and has been a dream to train so far. A 14-year-old student has put most of the mileage on this gelding! He is that quiet. Will make an awesome youth horse. Went to his first show recently and was in the ribbons in every English class, even winning a good size Equitation class! Nothing phased him – even the loud rock concert going on next door! Very good minded gelding. \$8500

4. Yellas Cool Cache (“Fancy”) – Registered APHA, PtHA, AQHA, and Palomino 4 year old mare. Her sire is Mr Yella Fella and her dam is Shesa Cool Finesse by Im Tee Totally Cool. This mare is a halter horse who can also move! She has halter and lunge line points. Gorgeous and ready to start her riding career! \$5500

5. Imprint With Finess (“Juliet”) – APHA 2 year old mare. This mare has a reserve champion and open halter points and a top ten at the 2010 Pinto World show. She is now ready to be broke to ride. Her sire (RH Mr Imprint) is the sire of halter and riders. There’s no reason why this stunning filly can’t be a rider as well! \$6500

6. Yearling solid APHA stud colt (“Bradley”) – full brother to the above filly. Big and very easy to handle, even as a stud colt. Comes with breeder’s certificate – you can pick the name! He would make a great 4-H/Open horse or show him in the Paint/Pinto solid classes. \$1500

7. Shesa Cool Finesse (“Lady”)– APHA/AQHA 8 year old overo mare. Lady is a world class mare who has produced only world class babies. She’s still young enough to have a bunch more world class babies (she is the dam of the filly above, Imprint With Finesse, as well as Bradley and Fancy). She is a crop out from two Quarter Horses. She is also young enough that if someone wanted to break her as a rider, they could! And she wouldn’t take much to show her in the halter ring! She is the dam to the 3 horses above (4, 5 & 6). Lady also comes with Charlie, description below. \$7000

8. AQHA Miss Skipo Mate (“Charlie”) is a 2000 palomino mare. She is as sweet as they come and would make a great broodmare. However she is completely blind. She relies on Lady completely, so whoever buys Lady will get Charlie for free.

9. Majors Precious Jewel – APHA 11 year old mare. Precious is a world class mare that has never failed to produce color, even though she herself is solid. Good mama! She was broke to ride at one time. She would not be hard to get back to riding shape as she is sweet as they come. No need for a halter! And her bloodlines read like a who’s who: The Major Leaguer and Big Leaguer. \$3500

10. "Paisley" is a 2010 yearling filly. Her breeders papers are all filled out and ready to be sent in! Her dam is Majors Precious Jewel (above) and RH Mr Imprint. She was bred to be a big thick rider. At 15+hh as a yearling, she will top out well over 16hh. She is a gorgeous chestnut overo. \$2500

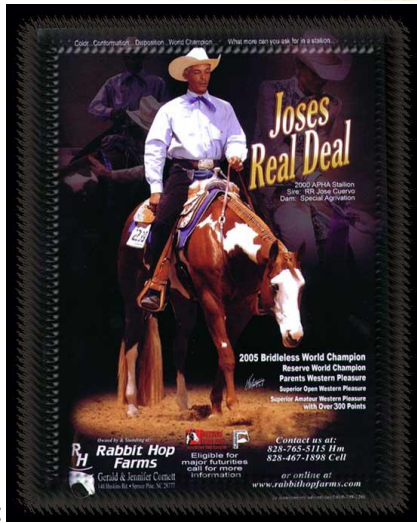

11. Cools Cool Mate ("Petunia")— AQHA 4-year-old mare. Cute sweet mare is ready to be broke to be your next partner! She has no bad habits and is ready to be broke! \$5000
